OCEAN GROVE BOWLING CLUB INC.

June 2012 Newsletter

Issue 9

2012

Members there have been some major additions around the Club recently. The new KENO game is up and running including a self serve kiosk located in the Gaming Room – so there is definitely no reason for you to wait at the KENO window in the Lounge Bar when things are hectic. A new EFTPOS service has been introduced and is located in the passageway leading to the Gaming Room and Lounge Bar. This "Cash Out" facility has been provided as a service to members and guests and results from the State Government's requirement that all ATM's are to be removed from Gaming venues other than Casino's by the 30th June 2012.

And finally, membership to Diamond Rewards our new Member Loyalty program is now available. In closing, there are lots of new and exciting things also in the pipeline so keep an eye out for these in future Bulletins, Newsletters, our In-house Television or simply ask our staff "what's coming up"!

Success belongs to those that prepare for it today; this message should be driving all of us to achieve more in the 2012/13 season and beyond. I have had the pleasure of meeting a lot of members thus far before the winter hibernation sets in and the Hume Freeway gets overloaded with Ocean Grove members. I am sure there is still many I have not met so please come in and introduce yourself and have a chat. Winter Coaching is up and about and starting to gain momentum with numbers improving each week. Pre season Practice matches are now on the notice board as well as the new initiative of the Pre season Club Triples for Saturday pennant players. There is exciting times ahead on the greens for Ocean Grove Bowling Club and I am very much looking forward to working with you as we strive for the success that our club deserves.
